*Make paying your bill
easy with Direct Draft*

The City began offering automatic draft for customers to pay for Water/Sewer and Solid Waste services as of June 1, 2003.

When you sign up, the draft will take two billing cycles before it will begin. (Example—if you sign up before June 30th we will draft out your first payment on August 15th)

You are responsible for making sure the payment is submitted for the first billing cycle after enrolling. No late fees will be removed if payment is not made.

There will be a \$30.00 NSF charge for all returned unpaid drafts.

If the 15th falls on a weekend, the City will then draft the payment on the following Monday.

How To Enroll

1. Complete and sign the attached authorization form.
2. Include a voided check or deposit slip.
3. Return your completed information to City Hall or mail to the address on the back.
